PROJECTS

Portfolio Website  |

2024

- Welcome to my portfolio website! I'm a passionate and aspiring Developer with a strong desire to create innovative solutions and push the boundaries of technology. With a deep love for coding and problem-solving, I am constantly seeking opportunities to learn and grow in this ever-evolving field.

Currency Converter  | Technology JavaScript Used

2024

- Currency conversion calculations are presented in pairs, which means that one currency is quoted against the other. It involves calculating the exchange rate between two currencies, which represents the value of one currency in terms of another.

Tic Tac Toe Game  | Technology JavaScript Used

2024

- The tic-tac-toe game is for two players. One player plays X and the other plays O. The players take turns placing their marks on a grid of three-by-three cells. If a given player gets three marks in a row horizontally, vertically, or diagonally, then that player wins the game.
